

The Maintenance Department will begin community-leaf pick-up starting April 11, 2018, and will end Wednesday, May 9, 2018. Leaf pick-up will resume in the fall of 2018 and will continue until the first measurable snowfall (the schedule may change in the fall due to the quantity of leaves). The Maintenance Department will be collecting leaves each Wednesday of the month based on the dates provided above. Please be advised that other duties may arise that are priority or an emergency and may push pick-up to a different day. The city crew can move through an area very quickly, and once they pass your address they will not return until the following pick-up date. This information supersedes any previously published instructions prior to the date listed above. Unacceptable items must be removed within five (5) days of being notified or a violation notice may be served.

Please note:

- Leaves must be placed in a continuous row at the curb line.
- Only Leaves are accepted. Please do not place any grass clippings, yard waste sticks, rocks, trash in the leaf pile, or any other foreign object. These items can damage the collection equipment; If such waste is placed curbside, city crews will refuse collection.
- Please do not park vehicles on or immediately next to the leaf pile.
- Please do not cover storm sewer grate with leaves.

The City Maintenance Department collects brush year-round throughout the city. Crews will collect brush every Monday as long as the weather is permitted. Please be advised that other duties may arise that are priority or an emergency and may push brush pick-up to a different day. Major storms may affect the schedule and notice of any special brush collection will be posted on the city website. Keep all brush off of the street. Place all brush on the parkway or edge of the yard. The city crew can move through an area very quickly, and once they pass your address they will not return until the following pick-up date. This information supersedes any previously published instructions prior to the date listed above. Unacceptable and uncollected items must be removed within five (5) days of being notified or a violation notice may be served.

Please note:

- Maximum Diameter is 6" and maximum length of limbs is 12'
- Brush should be stack in individual piles (so they can be man handled) in front/side of the parkway with the cut ends facing the curb, and placed away from parkway trees, mailboxes, utility poles/boxes, hydrants, parked vehicles and water shut offs sticking out of the ground. Brush will not be collected from alleys or vacant lots.
- Do not place any stumps, roots, landscape material, lumber, firewood, or foreign objects in the brush pile.
- Brush/limbs must not be tied, or bagged
- City will collect resident-generated brush only, **NOT** contractor removals or trimming.

If you have any questions, please call the City Maintenance Department at 815-493-6832

Landscape Waste Program provided by Moring Disposal begins April 4, 2018 and will continue until November 28, 2018 weather permitting. There is a pre-paid cost each season of \$65.00 which includes weekly service and yard waste bin. The City Maintenance Department will not pick-up yard waste.

- Please contact Moring Disposal – Phone 815-938-3602 Monday – Friday 7AM-4:30PM
